

LEXUS CHARLESTON FASHION WEEK® THE EVENTS / 2020

Statement on COVID-19

To Our Fashion Community,

Given the growing concerns around COVID-19 and large gatherings, we have made the very difficult decision to cancel all CFW 2020 events scheduled for the year, including the September Fall Event at Memminger Auditorium. We feel strongly this is for the best overall. The safety and security of our guests, participants & sponsors, vendors, and Charleston community is most important during this time.

We remain committed to uplifting the local fashion community and driving economic development. That said, a project to uplift and support our community is in the works until it is safe to gather again. Please look for more details in the coming weeks.

Be strong, be kind, and stay fashionable!

Thank you,
CFW The Events 2020 Team
